

Safety Comes Standard™

Because safety comes standard with our Chemical Drum Pumps and Metering Systems, you know you're installing the best-engineered solution which is backed by our unmatched 3 Year Warranty. When you need fluid handling equipment for your chemical, industrial, water treatment or automotive application, you can have confidence in the safety and performance of all our products manufactured in our ISO 9001-2008 certified factory.

**5 DAY
LEAD TIME**

WATER TREATMENT CHEMICALS

Engineered to transfer chemicals associated with the Water Treatment industry. Common applications include: Sodium Hypochlorite, Potassium Hydroxide and Sodium Bromide.

ACIDS & ALKALIS

Engineered to transfer corrosive chemicals. Common applications include: Hydrochloric Acid, Nitric Acid (20%), Acetic Acid and Sulfuric Acid.

EXPLOSION PROOF (ELECTRIC)

Engineered to transfer flammable / combustible liquids. Common applications include: Isopropyl Ether, Alcohol, and Solvents.

NON-CORROSIVE LIQUIDS

Engineered to transfer non-corrosive liquids. Common applications include: light oils, automotive fluids, coolants and lubricants.

CONCENTRATED ACIDS & ALKALIS

Engineered to transfer concentrated and extremely aggressive chemicals. Common applications include: Sulfuric Acid 66 Baume, Hydrochloric Acid and Concentrated Nitric Acid (98%).

METERING SYSTEMS

Engineered to control, measure and dispense corrosive chemicals from 55-gallon (200L) drums and Intermediate Bulk Containers (IBC).

BATCH CONTROL SYSTEMS

Engineered to control, measure and dispense preset volumes of liquid from drums, IBC's, plating tanks and large storage vessels. Common applications include Sulfuric Acid, Nitric Acid and Hydrochloric Acid.

VISCOUS MATERIALS

Engineered to transfer viscous materials from drums, Intermediate Bulk Containers (IBC) and large storage vessels. Maximum viscosity is 100,000 cps.

ACCESSORIES

Available accessories include: Hoses, Barrel Adapters, Fume Barriers, Suction Strainers, Hose Barbs, Quick Disconnects, and Wall Brackets.
